## Mineral rights law change sought by landowner

By WAYNE DUCOMB JR.  
A Hancock County resident is attempting to organize local residents to endorse state legislation which would restore all mineral rights to property owners.  
Mississippi law presently allows landowners to retain a portion of or all mineral rights when they sell property. Mineral rights to be retained by the owner in a land transaction must be stipulated in the property deed.  
However, in many states this mineral ownership is not divided or automatically transferred to the new surface owner after a period of time. Marketable minerals frequently found in the county include underground natural resources such as oil and natural gas.  
Theresa Coleman of Firetower Road reports she is interested in organizing a Hancock chapter of the Mississippi Landowners Association.  
She says a Pearl River County chapter was recently formed and met this week to begin developing its role in

changing state mineral ownership laws.  
Coleman notes that the Pearl River chapter has a large active membership.  
She says the proposed non-profit Hancock group would consist of landowners who do not possess all mineral rights on their property.  
The woman reports Pearl River County landowners who own no minerals are also seeking laws granting some sort of control or restitution when surface damages occur in oil and gas drilling operations.  
Coleman urges anyone interested in forming the Hancock chapter to telephone her at 255-1334.  
**CATAHOULA WELL**  
The State Oil and Gas Board recently granted an emergency drilling permit to Hunt Energy Corp. of Jackson and Dallas, Tex. for a saltwater injection well in the Catahoula Field.  
Emergency permits are frequently granted for drilling disposal wells, an

oil and gas board spokesman this week confirmed.  
The drilling operation in Section 18, Township Six South, Range 15 West will pump saltwater wastes some 4,100 feet underground from a nearby Cotton Valley trend producer.  
Name of the drilling operation is S.G.

## Women file complaints against salon closing

By BRENT MACEY  
Some 115 members of Kelly Lyn Figure Salon in Waveland have filed complaints with the Mississippi Attorney General's Office of Consumer Affairs requesting legal action be taken to force the company to return membership fees.  
Another list of signatures in support of the complaints is expected to be mailed to that office in the near future.  
The salon, which claims it has been running in the red for the past six months, closed its doors to customers Saturday.  
Salon members who recently paid membership fees feel they have been defrauded and want a pro-rated rebate.  
Kelly Lyn has agreed to reimburse members who joined in April. The company has also agreed to offer other members a 50 percent refund on their membership at a reduced rate.  
However, the distance to Biloxi or Slidell salon branch is too far to travel. They have indicated they will only be satisfied with a refund.  
Barbara Boston, a Bay St. Louis resident organizing the women's action against the salon, said Tuesday the women will hire a local attorney if the Attorney General's office reviews the complaints and then decides not to take the women's case.  
Boston reported a meeting was conducted in the City County Library this Monday to gather signatures for the complaints.  
She noted the Attorney General's Office did not send a complaint form to follow up on the complaints. She said the form will be mailed in the near future.  
Boston said the women are disappointed at the Attorney General's Office. She said the women are disappointed at the Attorney General's Office. She said the women are disappointed at the Attorney General's Office.

## County School Board apparently violates Open Meetings Law

By WAYNE DUCOMB JR.  
The Hancock County School Board met in executive session Wednesday morning for about one hour, apparently in violation of the state's Open Meetings Law.  
Woodrow Ladner, board vice president, offered motions to consider entering and then to enter into an executive session for the purpose of discussing a district wide classroom building program and finances for the project.  
George Ladner, a board member, seconded those motions which were unanimously approved by the board.  
Joseph Gex, board attorney, said he felt the board could enter executive session to discuss the project.  
In addition to all board members—which also include Johnny Banks, Louie Ladner, and Board President Monvel Cuevas—Superintendent of Education Billy Sills, Assistant Superintendent James Pair, Gex, District Architect John Mykolyk, and Bookkeepers Brenda Ladner and Lol Carver attended the closed meeting.  
Members of the press and District Office Secretary Sue Deen were excluded from the session.  
Cuevas reported no action was taken during or after the executive session.

## Thomas seeking judgeship

James Thomas, senior assistant district attorney, has qualified as a candidate for Circuit Court judge, Second Circuit Court District, Place One.  
"I've been prosecuting cases on behalf of the people in Harrison, Hancock and Stone counties for nearly eight years now," said Thomas.  
"I think I can serve the people even more as their next Circuit Court judge," he said.  
Thomas is seeking the seat that will be vacated by Judge Leslie Grant's retirement later this year.  
Thomas resigned from the district attorney's office effective March 31 in order to actively seek the position.  
Thomas believes that the next Circuit Court judge can help stop crime in this area. "The Circuit Court Judge hears major civil cases and all felony cases—like murder, armed robbery, and rape," explained Thomas.  
"If a judge is too lenient, the word gets out—crime pays," Thomas said.  
"But if justice is administered fairly, firmly, and impartially, criminals start to think twice before they act," he added.

## News Briefs

**POPULATION INCREASE**  
Edward Murtagh, Hancock County assessor-tax collector, reports an additional 500 families filed for Homestead Exemption for 1982 over 1981. The figures reflect an increase of eight percent in county population for one year, Murtagh said.

**HURLBERT STAYS IN**  
Democratic candidate for Circuit Court judgeship, Clyde O. Hurlbert said Wednesday he will be a candidate in the June 1 Democratic Primary. Hurlbert said after his recent arrest by Gulfport Police for driving under the influence of alcohol, he received more than 300 telephone calls and several letters in the first 30 hours after his arrest was publicized, all of them asking me to remain in the race. The candidate said some people who called him he had never met, with not one caller urging him to drop out of the race.

## Cameron eyes Beat Three post

W. J. Cameron, principal of the Bay St. Louis Junior High School, is seeking election to the Hancock County District Three Justice Court judgeship.  
A special election to fill the post has been set June 1 by the Hancock County Election Commission.  
Cameron, a 44-year-old Hancock County native and resident of 211 Thomas St. in Bay St. Louis, has been principal of the junior high for some 10 years.  
He was born in the Dedeaux Community and attended Dedeaux High School and Pearl River College.  
Following his graduation from the University of Southern Mississippi, he joined the Hancock County School System, teaching sixth and seventh grades at Gulfview Elementary School in Lakeshore during the 1959-1960 school year.

W. J. CAMERON

He joined the Bay St. Louis Municipal Separate School System in 1960 where he taught business education and served as a guidance counselor until he was named principal in 1971.  
Cameron holds a bachelor of science degree in business education and master of arts degree in guidance. He also holds a AAA certification in school administration.  
He is a member of Mississippi Professional Educators, Our Lady of The Gulf Catholic Church, Bay-Waveland Rod and Gun Club and is a former Bay St. Louis Little League coach.  
Cameron is married to the former Freda Pernicaro of Bay St. Louis. They have three children: Missy, 14; Matthew, 12; and Susanna, 8.  
He is the son of Mrs. Evelyn Malley Cameron of Dedeaux and the late Ramsey Cameron.  
"Due to the short period of time before this election, I won't be able to see as many people in Beat Three as I would like, but I welcome your vote and support," Cameron said in announcing his candidacy.  
"I am a lifelong resident of Beat Three and look forward to the opportunity to serve the residents of the district as a Justice Court judge," the candidate stated.

## Hancock employment figures improving

By WAYNE DUCOMB JR.

The number of employed Hancock County residents is increasing based on recently released State Employment Service figures.

Hancock's March jobless rate of 6.5 percent marked a two-tenths of a percentage point decrease from the previous month and 1.3 percent below the January rate.

In addition, the county's labor force increased from 9,368 in January and 9,350 in February to 9,400 in March.

Some 610 people were unemployed in Hancock during March based on the employment service report.

In February some 630 were out of work and in January some 730 were unemployed in the county.

Mississippi's unemployment rate dropped to 9.6 percent in March, a decrease of six-tenths of one percentage point compared to February's 10.2 percent jobless rate, says O.H. Simmons, Employment Security Commission executive director.

Last year's March unemployment

rate for the state was 8.7 percent.

The 9.6 percent unemployment rate for the state was higher than the 9.5 percent national rate for March.

Commission figures show statewide 103,500 unemployed and 970,700 employed out of a civilian labor force of 1,074,200.

"Initial unemployment insurance claims totaled 26,767 for March," Simmons notes.

The counties with the highest March unemployment rates are Tate with 20.2 percent; Jefferson with 19.5 percent; and Sharkey with 19.2 percent.

Rankin, Oktibbeha, Issaquena, and Lamar Counties have the lowest jobless rates in March. Rankin reports a rate of 4.2 percent, Oktibbeha and Issaquena each list 5.1 percent, and Lamar reports 5.7 percent.

"Some 59 of the state's 82 counties show a decrease in unemployment rates from February to March, while 20 reported increases. The unemployment rate in three counties remained the same," Simmons adds.

## Weekend emergency courses scheduled

The Mississippi Gulf Coast Emergency Medical Services District and the Mississippi State Fire Academy are sponsoring two all-day training sessions for fire and police department, rescue, and ambulance personnel.

An Auto Extrication course will be held Friday beginning at 8:30 a.m. at the Biloxi Civil Defense Center in the 200 Block of Pat Harrison Avenue and will move to the Coast Coliseum Parking Lot 'E' at 10:30 a.m. for hands-on experience.

On Saturday Emergency Vehicle

Operation will be taught at the same locations at the same times.

Pre-registration is required only for those who want hands-on experience. Others need not pre-register.

Continuing Education Units will be awarded by the State Fire Academy. For more information or to pre-register call the MGCEMS District office in Biloxi (374-2713).

These classes are open to all EMS providers in the three District counties of Harrison, Hancock, and Jackson.

## Public lecture on Turin Shroud slated in Biloxi

Dr. Daniel T. Cloud, president of the American Medical Association, and Abigail Van Buren (Dear Abby), syndicated columnist, lecturer and mental health advocate, will be featured speakers at the 114th Annual Session of the Mississippi State Medical Association, which begins May 2 in Biloxi.

More than 1,000 physicians and guests are expected for the five-day convention, according to association president Dr. R. Fraser Triplett of Jackson.

Dr. Cloud will address the opening session of the House of Delegates, the association's 140-member policy making body, on Monday, May 3. Miss Van Buren will speak to banquet guests on Tuesday, May 4.

The program for the state's largest medical meeting lists more than 40 speakers from California, Pennsylvania, Missouri, Maryland, Alabama, Tennessee, Louisiana, Texas, Georgia, and Mississippi. They will conduct postgraduate education courses during 14 major scientific sessions and meetings of 18 medical specialty groups. A number of scientific exhibits will be on display during the week.

This year one of the scientific speakers will also address a special public session scheduled for Sunday, May 2 at the Gulf Coast Coliseum.

Dr. Robert Bucklin, deputy medical examiner of Los Angeles and a member of the Shroud of Turin Research Team, will discuss the team's scientific investigation of the Shroud. For six centuries the linen cloth has been believed by many to be the burial garment of Jesus Christ. In 1978 it was made available to a panel of investigators from many

scientific disciplines for intensive study. Dr. Bucklin will describe the varied tests and the team's conclusions regarding the authenticity of the artifact.

Although definite proof has not been established, many of the investigators are of the opinion that evidence does exist to support the relic's authenticity.

## Shoreline man, youth nabbed in cycle heists

By WAYNE DUCOMB JR.

A Shoreline Park man is charged in the theft of two motorcycles from local residents.

Investigator Alvin Ladner of the Hancock County Sheriff's Department Wednesday afternoon reported Paul D. Massey, 20, of Route 1, Box 110, was charged in thefts.

Ladner said Deputy Glen Jackson's motorcycle was stolen almost two weeks ago.

The investigator explained while Deputies David Murtagh and Albert Biehl were patrolling US-90 just west of the Lower Bay Road intersection early Sunday afternoon, they spotted two motorcyclists on the highway.

He added one cycle was towing the other, one driven by Massey and the other by a 17-year-old boy.

Ladner said the deputies suspected one motorcycle belonged to Jackson.

The deputies called Jackson to the scene where he identified the cycle as the one stolen, the investigator reported.

Ladner said Jackson also identified the other motorcycle as one stolen recently from Floyd Fricke of Lakeshore. He added that Fricke was also called to the scene and confirmed he owned the cycle.

Massey was charged in the thefts at the County Jail and released on a \$1,500

bond. The boy was placed in custody of the County Youth Court.

Massey scheduled for a preliminary hearing before Justice Court Judge Horatio Frierson.

### BOMB THREAT

The Waveland Police and Fire Departments responded to the Buccaneer State Park Wave Pool Monday morning after employees there received a telephone bomb threat.

Firefighter Richard Trudell of the fire department Wednesday afternoon confirmed the threat which was received at about 11 a.m.

"The caller said the bomb was scheduled to go off at 2:15 p.m. that day," he stated.

Trudell reported that no bomb was found after a thorough search of the pool area.

Responding to the incident were Firefighters Donald Manieri, Jimmy Varnell and Trudell and Patrolman Chuck James.

### DOZER, CAR WRECK

Units of Mobile Medic, Diamondhead Fire Rescue and the County Sheriff's Department responded at about 3:30 p.m. to a bulldozer and car collision on Cuevas-Town Road near Hwy. 43.

A boy or young man was reportedly injured in the mishap.

No details were available late that afternoon.

## Bits 'n pieces

We have had our share of unusual weather over the past week—tornado, thunderstorms with so much rain, we were wondering if it would ever stop.

Many of the old-timers told us they saw water early Sunday morning in areas for the first time. Of course, some of the regular spots like Spanish Acres Subdivision and the intersection of US-90 and Washington Road experienced their usual share of flooding.

Several business places as well as homes had water inside, causing considerable damages.

The only other night we can remember having more trouble sleeping was when Camille breezed through in 1969.

I met two people early Sunday morning who said they did not hear a thing during the night. They had to be two of a very few, because the thunder sure roared.

The presentation by the Bay High Tiger Pride Friday was very beautiful. The music and precision marching was something for everyone in attendance to see and will be remembered for a long time.

The stadium could have held a few more people, but we realize many had to work and were not able to be present.

On a sour note, we did hear quite a few people mention the high grass at Tiger Stadium.

This weekend will mark the 50th anniversary of the St. Stanislaus Sideline Club Fair.

As many of us know, 50 years is a very long time for an organization, especially a volunteer organization, to be in existence.

We hope many of you will visit the Sideline Fair at St. Stanislaus on Saturday and Sunday.

A blood drawing was held Tuesday at Bay Senior High sponsored by the school's student council.

A total of 78 students and three teachers volunteered to give blood and 63 units were collected.

We feel it is a very good civic endeavor for our schools to participate in such a program.

It is our understanding that Don Diboll, president of the student council; Byron Dixon, president of the senior class; Rickkey Ladner, senior representative; Karen Ladner, vice president of the junior class; Ellen Garside, 10th grade representative; and Mary Ramond, vice president of the Student Council were among the students who worked very hard in record keeping for the drawing.

The good news we also heard was from J. D. (Big John) Rutherford who reported one of the nurses saying the Bay High students were one of the best-mannered and behaved she had ever worked with.

It is good to hear comments like this about our young people.

## Express patriotism on VFW Loyalty Day

The first of May is Loyalty Day, a day designed to involve the community in an overt display of loyalty to flag and country which has become a tradition with the Veterans of Foreign Wars.

With the passage of Public Law 58-529 on July 18, 1959, the V.F.W. won a long battle to have Loyalty Day approved by Congress.

Most Americans are familiar with the statement made by President John F. Kennedy, "Ask not what your country can do for you—ask what you can do for your country." This is a sound principle to live by in a country such as ours, where the government is elected by the people and where the public is expected to participate in the governing process.

In these times of global political turbulence, Americans should pause and ask themselves, "What have we done and what are we doing now to demonstrate to the world just how we feel about our country?"

We must pledge ourselves to maintain a free society in which loyalty is always encouraged and respected.

For without loyalty the United States, the world's best hope for a future blessed with freedom, cannot long survive. And, if we fail, the flame of freedom will diminish and fade forever. So, join in and become a part of the Loyalty Day expressions of patriotism, let the world know that Americans are behind their country and that America because of this is still a strong vibrant nation.

### LEADERS APPRAISE LOYALTY

We stand firmly through loyalty. We do not retreat. Our freedoms are of paramount importance.

—Franklin Roosevelt

God grants liberty only to those who love it so strongly that they loyally guard and defend it.

—Daniel Webster

**SAME OLD POOL**—Washington Street at the intersection of US-90 Bay St. Louis still had water at 9 a.m. Sunday following heavy rains Saturday night. This area floods several times a year. (Staff photo by Ellis Cuevas)

**SOGGY SPANISH ACRES**—The residents of Spanish Acres had to either stay at home Sunday morning or pass through rivers of waters in the subdivision. Residents have been pleading for relief during the past several years from City of Bay St. Louis officials. The flooding apparently is caused by the subdivision being described as a "saucer" making it hard to remove water during heavy rainfalls. Several business and homes were flooded early Sunday in Bay St. Louis and Waveland when unofficial measurements showed seven inches of rain fell. (Staff photo by Ellis Cuevas)

## LETTERS TO THE EDITOR

### Board actions violate state statutes,

### insult public's intelligence

April 23, 1982  
To The Editor

Dear Sir,

I was shocked to read your newspaper account of the Hancock County School Board meeting concerning the well pump that went bad on April 14 at Charles B. Murphy School.

My understanding is that the board gave permission to the superintendent, Billy Sills, to have the pump repaired not to exceed \$500.

The pump could not be repaired; therefore, Billy Sills had Braden Pump and Well Service install a new pump which cost the taxpayers \$2,500. This was done without the school board's permission.

To make the work legal, the board agreed Friday, April 23 to declare the situation an emergency retroactively and entered it into their minutes.

I feel that this action is an insult to the public's intelligence for in Section 37-39-9 of the 1972 Mississippi Code the emergency act clearly states "In case of emergency such boards may waive the publication requirement, but not the requirement for three competitive

bids. In any such cases, the school board shall record on its minutes a specific description of the nature of the emergency and the fact that the board approved in advance the purchase, waiving publication requirements."

The school board returned the bill from Braden Pump with instructions that the bill be submitted again showing the cost of the bill in phases.

I feel that these elected officials, having just been faced with the legality of handling emergency situations knew that this was illegal; that three bids had not been obtained; that the minutes did not show a description of the nature of the emergency; and therefore, the work could not be performed until the bids were received.

These elected officials also should know that there is a law against splitting invoices.

I feel that these elected officials are continuously negligent in their duty and incompetent to handle the taxpayers' money.

Insulted,  
Lennette Necaise

### Civic association petition distributed to public officials, news media

April 21, 1982  
Sir:

This letter is being sent to all of the public officials and news media listed below as an appeal for help and/or assistance in gaining some relief from the problems outlined in the attached petition.

We have actively attempted to remedy our problems through the Bay

St. Louis City Council for more than two years, all to no avail.

We are in dire need of help. Anything you can do for us would be greatly appreciated.

Respectfully submitted,

## Law Day to commemorate Generation of Progress

On May 1 we celebrate Law Day. This is the twenty-fifth annual celebration. The theme chosen for this Law Day is "A Generation of Progress."

Perhaps never before in history has so much progress been made so quickly in so many areas—civil rights, environmental improvement, consumer protection, and the rights of special groups such as the handicapped, young people, women, and the elderly. In many cases, these changes were brought about mainly by the efforts of small groups of dedicated persons.

The word "progress" in our Law Day theme does not mean that all of our problems have been solved. But progress does mean that improvement has been made and that we are working and moving toward solutions.

Law Day was conceived in 1957 by Charles S. Rhyne, a lawyer who was then president of the American Bar Association. President Dwight Eisenhower established Law Day by Presidential proclamation in 1958. In 1961, the first of May was set aside by joint resolution of Congress as a "special day of celebration by the American people in appreciation of their liberties and the reaffirmation of their loyalty to the United States of America."

The purpose of Law Day is to call the attention of every American citizen to both the principles and practice of American law and justice. It is a day to reflect on our legal heritage, the role of law in our society, and the rights we enjoy under our Constitution.

In the United States of America, there is a means by which citizens can influence the government and shape their history, lest we forget the First Amendment to the Constitution:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

W. M. Frisbie,

President

Hancock County Bar Association

Dept. of Natural Resources, Senator John C. Stennis, Senator Thad Cochran, Congressman Trent Lott, Governor William F. Winter, Senator Martin J. Smith, Representative Joseph P. Coffee, Public Service Commissioner Lynn Havens, Mary Larry J. Bennett, Hancock County Board of Supervisors, Supervisor Sam J. Perniciaro, The Daily Herald, The South Mississippi Sun, The Sea Coast Echo, and WLOX-TV, Channel 13.

We, the undersigned residents of Spanish Acres Subdivision and the surrounding area, located in the City of Bay St. Louis, Hancock County, Mississippi, feel that we, as taxpayers, are not receiving our just due.

For more than two (2) years, we have been actively attempting to have the poor drainage throughout the subdivision and especially the perimeter drainage system made functional, as well as a dump area (Webb St. Dump), which is from what we have been told (BUT DO NOT SEE) been closed for these past two (2) years.

At the present time:

1. The perimeter ditches of the subdivision are constantly holding stagnant water and weeds, all of which are a breeding ground for snakes and mosquitos.
2. The dump, with its exposed garbage, debris and open holes, some 5 to 10 feet deep, is a model breeding ground for mosquitos, snakes, rats, roaches and many other such vermin, as well as the site of numerous fires over the past two (2) years.

The owner of the dump has been called before the City Council in the past to show cause why this dump has not been filled over, a remedy which was recommended by the Mississippi State Bureau of Air and Water Pollution Control over two (2) years ago.

In summation, our drainage don't drain, many of our homes are roach and rat infested, we have the constant fear of our children being bitten by rats or snakes, and perhaps even drowning in our ditches or the easily accessible open holes in the dump.

We humbly request that you, or your office assist us in any way possible to alleviate the problems that are of major importance to us.

Thanking you for your consideration and assistance in this matter in advance, we are,

Very truly yours,

Spanish Acres Civic Association, Inc.

### Customer feels defunct health spa violated good will of its clients

The Sea Coast Echo  
Bay St. Louis, MS

Dear Editor:

So Kelly Lyn has run out on us! All of us who were members, are both mad and sad.

Mad because we now see it was never intended as anything but a scam, but we were too naive to realize it. In spite of the fact that we were constantly asked to bring in friends and earn "free" months, bring in one hundred and earn a "lifetime" membership, extend our memberships for another year at super-bargain prices, even though we were just beginning our first membership year.

We should have known that such policies are all part of a "get rich quick" scheme and not sound business practices. We're sad because we loved the place and the young ladies who gave so interesting and informative massages and our goals of physical fitness and improved figures.

For Kelly Lyn to repudiate the others we have nothing but contempt for her. We're sad because we loved the place and the young ladies who gave so interesting and informative massages and our goals of physical fitness and improved figures.

respite out of a busy day where we could "do our own thing" and know we were improving our bodies and health at the same time.

We had the enjoyment of making new friends and seeing old ones while we exercised. We're sad because the enterprise couldn't see that it wasn't necessary to rip us off.

Most of us would have extended our time and brought in our friends anyway without the enticements of "free" months or special prices. If we had, we would have been willing to pay a fee that would have made for a profitable business, and with over 200 members already, a healthy percentage of the female population between the ages of 15 and 70, it should have been possible to make a go of it honestly.

Goodbye Kelly Lyn, you didn't treat us as customers, you treated us as a bunch of fools.

**SEISMIC STUDIES**  
Seismographic crews recently conducted tests on property east and west of Hwy. 603 in the vicinity of Stennis International Airport.

Results of the tests and names of the companies conducting the survey are not known. Saga and Phillips Petroleum Co.'s operate wells in the adjacent Waveland Field.

**GLOW EXPLAINED**  
A bright orange glow reportedly seen flickering in the sky several nights recently near the I-10 and Hwy. 603 interchange was caused in a burnoff of a nearby Waveland Field well operated by Phillips.

The operation is designed to improve production from the well, which is located about one mile west-northwest

of the interchange.

**OFFSHORE LEASING**  
A leasing of Mississippi's offshore mineral rights originally planned for May has been delayed until June 9 or 10, a State Department of Natural Resources spokesman reports.

Some 250,000 mineral acres in the Mississippi Sound will be leased at that time. The delay was prompted by a recent State Commission on Wildlife Conservation decision to table a proposed wetlands use plan to allow drilling the sound.

Several major oil companies reportedly have expressed interest in the leases.

The offshore leases are the first Mississippi has offered in 20 years.

## State Weather Projection

### WEATHER SERVICE REPORT

Farmers in the state can expect higher temperatures and less rainfall than usual through mid-May, according to the National Weather Service.

Warmer weather will raise soil temperatures to levels needed for optimum germination of crop seed, according to the weather service outlook distributed by the Mississippi Cooperative Extension Service.

Showers and thunderstorms are common during the period. Average rainfall during the period ranges four to five inches, but less is expected this year with rain falling on five to eight days, report weather experts at the Mid-South Farm Weather Service in Stoneville.

Warmer and drier conditions will help efforts to control diseases in wheat crops. Above-normal temperatures also should save poultrymen fuel at a time when cool nights are still possible.

Pastures will put on good growth during the period, and farmers may need to limit cattle grazing in some pastures which develop lush growth, the weather experts say.

## Perk campus is site of arts festival

Sandscapes will be highlighted at the Perkins College's annual fine arts festival, Monday through Thursday, April 26-29, at the Perkins Campus.

Sandscapes are conceptual sand sculpture designed by Ted Metz, associate professor of art at the University of Montevallo, Ala. They will be displayed during the four-day event.

"Construction time for the sandscapes ranges from ten to 12 hours," said Charles Acres, festival director. "Metz has done over 20 sandscapes in the last four years. They have appeared in several art shows and museums throughout the Southeast."

Other events scheduled include: Monday, April 26—Sandscapes construction, slide lecture on "Sandscapes" by Ted Metz; Tuesday, April 27—Exhibition and slide lecture by Jim Meade, drawing instructor, University of Southern Mississippi; Wednesday, April 28—"The History of Silkscreen" slide lecture and photo-silkscreen workshop, John Dillon, University of Alabama at Bi-

ramingham; Thursday, April 29—Keweenaw campus drama department variety show, "Abstract Expressions" slide lecture by Jerry Welden, painting instructor, USM; Perkins Campus choir concert under the direction of Eugene Giamberini. In conjunction with the festival there will be a high school art competition for students.

For more information on the art competition and festival contact Charles Acres through the Perkins Campus admissions office or call 467-5552.

## Brigham Young professor to discuss excavations

C. Wilfred Griggs, an associate professor of ancient scripture, history, and classics at Brigham Young University and a research professor of humanities at the University of Utah, will conduct a "Know Your Religion" at 7:30 p.m. Saturday at the Hattiesburg Stake Center of the Church of Jesus Christ of Latter Day Saints.

The public is invited to the program which will begin with a discussion of the unity and relevance to modern man of both Testaments of the Bible.

Following this discussion, Griggs will give a slide presentation on his experience as head of an Egyptian pyramid excavation team.

In early 1981, at the invitation of the Egyptian

government, the team from BYU and the University of California at Berkeley excavated a pyramid which dated before Abraham's time and also a Greco-Roman site from the early Christian era.

Griggs received his BA and MA degrees from BYU and his PhD degree from the University of California, Berkeley.

Prior to joining the Brigham Young University faculty, he was director of the San Jose California Institute of Religion.

Griggs has published several articles in the area of ancient studies. He is also an associate editor of the "Coptic Encyclopedia."

He is a frequent speaker for Mormon Church-related functions.

## LaFranz to conduct OLG Day of Renewal

Father Emile LaFranz of the Center of Jesus The Lord in New Orleans, La., will conduct a Day of Renewal on Saturday, May 1 at Our Lady of the Gulf School Cafeteria behind the church on Second Street in Bay St. Louis.

The day will begin at 11 a.m. and end at 3 p.m. Mass will be celebrated at 11 a.m.

Father LaFranz will speak on "Deeper Growth in The Spirit."

Since his ordination in 1959 from Notre Dame Seminary in New Orleans, Father LaFranz has been involved in religious education in the Archdiocese of New Orleans.

He is founder of the Catechetical Institute of The South.

He has taught catechetics, contemporary spirituality, pastoral theology and a course in adult faith at Notre Dame Seminary. He has served as director of continuing education for the clergy.

Since 1975 Father LaFranz has directed a Charismatic Center of Renewal in prayer and spirituality at the Center of Jesus The Lord, 1236 North Rampart Street in New Orleans.

The center serves as a house of prayer also for retreats, instruction and hospitality for the development of spiritual leadership.

The event is open to the public. Participants should bring their own lunch.

### St. Ann's News

A thought for meditation from our pastor, Father Lambert Stack, ST—

"The man who rises to the top in most companies is the man who makes things happen."

Second graders at St. Ann's St. John parish will receive their First Holy Communion Sunday May 9, Mother's Day, during the 9:30 a.m. Mass at St. Ann's.

The Confraternity of Christian Doctrine classes, first through eighth, will conclude for the year Tuesday May 11 with a picnic after

school at the parish hall.

A May Crowning and Procession honoring the Blessed Virgin Mary is planned for Sunday May 16 at St. John's Church, Lakeshore. The time will be announced later.

Classes for high school students attending the CCD program will be as usual this Sunday May 2 after the 9:30 a.m. Mass.

There will be a week-long rummage sale starting Monday May 7 through Friday May 11 in the parish hall. The success of this event depends upon the generosity of those donating usable items to be sold. Donations may be brought to the rectory in advance of the sale.

**MISS USA CHAPERONES**—The 1982 Miss USA Pageant will be telecast live from the Mississippi Coast Coliseum Thursday, May 13. The crowning of the new Miss USA will climax 2 weeks of rehearsals, interviews, personal appearances, parties and more rehearsals for the 51 contestants. Every place the Miss USA hopefuls travel, they are accompanied by their chaperones. Local chaperone volunteers are, seated from left,

Rosalie Kergouien, Penile Treutel, Barbara Purley, Mary Kay Jones, all of Bay St. Louis, and Judy Ward, Waveland; standing from left, Margaret Hadden, Bay St. Louis; Linda LaCoste, Kiln; Virginia Wagner, Bay St. Louis; Mary Caillier, Clermont Harbor; Cindy Middleton, Diamondhead; and Linda Kidd, Waveland. ## Magee accepts plaque citing Mississippi State student engineers

The Mississippi State University student chapter of the American Society of Mechanical Engineers (ASME) was recently honored for outstanding achievement at a regional convention of the engineering society.

Chapter chairwoman Pamela Magee of Bay St. Louis was presented a plaque citing the MSU organization's accomplishment in winning the Bendix Award during 10 of the last 20 years.

The award, sponsored by the Bendix Corp., is presented annually by the national ASME organization to the student chapter accumulating the most points for excellence in campus activities.

The MSU chapter also received the 1982 Student-Kilometer Trophy for bringing the most student delegates, 32, the farthest distance to the meeting in Daytona Beach, Fla.

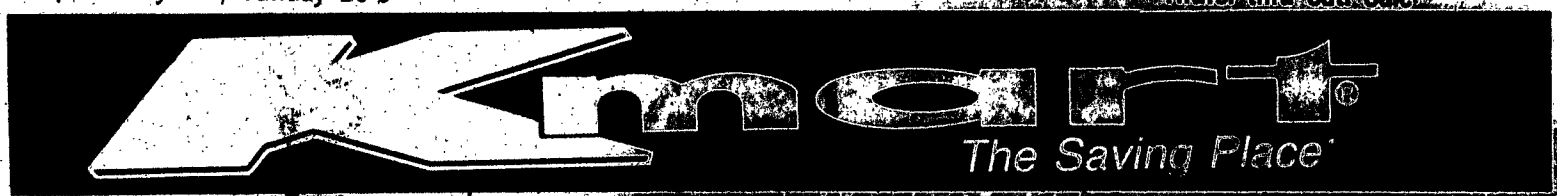

Two MSU delegates, Tom McCallum of Memphis, Tenn., and Bill Cranston of Ft. Lauderdale, Fla., were awarded certificates for placing fourth and fifth, respectively, in technical paper presentations.

A total of 20 papers were presented by delegates from Alabama, Florida, Georgia, Mississippi and Tennessee.

Cranston is chapter treasurer. James C. Barnett of Columbia is first vice president and Dr. C.W. Bouchillon is faculty adviser.

Magee, Cranston and Barnett are seniors; McCallum is a graduate student.

With the return of sunshine (did you develop web feet, too in all that recent stormy weather?) most of us are too anxious to be digging in the garden to spend much time in the kitchen, though mealtimes keep coming around just the same.

My very fingers are itching just now to get away from the typewriter keys and into that moist garden soil - what do I mean - "moist" - that still slushy soil - and go on with Spring planting and transplanting and weeding!

So as soon as I got up this morning, even before I headed kitchenwards to start breakfast, my mind was racing ahead to what I could cook for dinner in short-order time, for I wanted to stay out in the garden as long as possible.

Cheese souffle is, of course, a last minute dish, but one that takes a bit of doing... so I decided upon a "No-Souffle-Souffle", a mock souffle, the sort of thing called a Strata also, a layered dish.

It's as easy as it is elegant, for family brunch, buffet supper or whatever, the quantity depending, of course, upon the number to be served, and their appetites. You can even assemble it several hours, or the night beforehand, and just pop it into the oven 30 or 40 minutes before serving.

It's a versatile dish, too, for you can add ham bits or shrimp or crabmeat or chicken or tuna or whatever to the dish for variety.

So, for four servings, here's: NO-SOUFFLE-SOUFFLE or MOCK SOUFFLE 6 to 8 slices day-old bread Butter or margarine

4 eggs  
2 cups milk  
4 oz. sharp cheddar cheese, grated  
Dash of Tabasco  
Pepper or lemon pepper  
Butter liberally a 1 1/2 or 2 quart baking dish or casserole, sides as well as bottom. Trim crusts from the bread, and spread generously with the softened butter.

Cut the bread slices in half, or more, so as to make them fit the casserole, butter side up. Line bottom and sides of dish with all but two slices of the bread.

Beat together the eggs, milk and cheese. Add a generous dash of Tabasco, less generous one of pepper to your taste. Spare or skip the salt. Pour the mixture over the bread pieces, top with the two pieces you've reserved, and refrigerate at least a few hours so that the bread can become quite soggy with the milk mixture.

Bake at 375 degrees for 30 to 40 minutes or until the top puffs up and turns golden, and a knife inserted in the center comes away clean. Speed it and the family to the table - or make them sit at table first - as a souffle, mock or otherwise, collapses in dismay if kept waiting. For variety, add a scant cup of finely chopped ham, or shrimp or whatever to the mixture, or as I often do, chopped green onions.

P.S. If you scorn such shortcuts, and must have an easy recipe for Cheese Souffle, drop me a line or give me a call and I'll be glad to share a couple of my specials.

discussions regarding employment and terminations of employees. The exemption provided by this paragraph includes the right to hold closed meetings concerning employees as subject employees to their deletion from any budget subject to approval of the public body. Final budgetary adoption shall not be taken in executive session.

The state law also stipulates that discussion in executive sessions shall be limited to matters which were previously listed.

In other business at the 9 a.m. recess meeting at the Dan M. Russell Sr. Memorial Youth Center in Bay St. Louis, the board:

—Approved paying expenses for Loi Carver and Brenda Radner to attend a May 18 State Retirement Seminar to discuss new regulations at the Harrison County School District offices in Gulfport;

—Approved paying \$500 to the State Department of Education's Accident Contingent Fund. Ginn explained the district is assessed \$15 per bus annually.

—Approved the resignation of

Hancock North Central High School Teacher Prentiss Ginn effective May 21. Ginn is retiring;

—Approved extended sick leave for district employee Charles Joe Davis from April 22 through May 7;

—Approved re-hiring the entire HNC coaching staff for the 1982-1983 school year;

—Directed Gex to draft a resolution to borrow funds from the 16th Section Principle Fund to purchase new school buses;

At a Monday recess meeting the board approved paying teachers the same salary as last year.

# Bay High netters sweep district, conference meets, travel to Jackson today

By BRENT MACEY

The Bay High School boys and girls tennis teams swept the Deep South Conference Championship Tournament conducted at Bay High School Tuesday.

hard passing shot.

In girls singles finals, Tigerette Dana Favre defeated Lara Alexander of Stone County in two straight sets 7-5 and 6-3.

That contest saw a lot of

cellent baseline play and long volleys.

Tigerettes Terri Rhodes and Donna Gilmore teamed up in the girls doubles and had little trouble with their opponents from Vancleave.

Chris Proulx and Karen Ladner defeated Vancleave 5-7, 6-1 and 6-4 in that contest.

The mixed doubles contest went the entire three sets before Bay High won.

The Tiger teams recently swept the Class A District VIII Tournament and will head to Jackson for State Championships this Thursday and Friday.

In boys competition Tuesday, Bay High's Mike Proulx defeated Steve Boulet of St. Stanislaus in the singles competition.

Proulx won the match in straight sets 6-3 and 6-4.

In boys doubles competition, Bay High's Rickey Ladner and Mike Barnes were matched against St. Stanislaus' Brennan Collins and Mike Collins.

Ladner and Barnes, the larger and more aggressive doubles team, took the first set easily by a score of 6-1.

But in the second set the Collins brothers rallied and managed to keep the Tigers at bay until a 16-14 tie breaker ended the set and match in Bay High's favor.

Throughout the match Proulx and Ladner, who both had booming first serves, came to the net and forced the Collins brothers to either lob or go for the passing shot.

Windy weather hindered the lob ball and the Stanislaus team usually opted for the

## Closed circuit screening of Holmes-Cooney event slated at Coliseum

The World Boxing Council Heavyweight championship fight between undefeated champion Larry Holmes and undefeated challenger, Gerry Cooney will be Friday, June 11, at Caesar's Palace in Las Vegas, Nev.

Mississippi boxing fans will be able to see the live closed-circuit presentation of this fight in four locations in the state.

Tickets to the closed circuit, live television showing of the event at the Mississippi Coast Coliseum in Biloxi are available in Bay St. Louis at Lolicano's Health Club on the corner of Main and St. Francis Streets.

Firm locations include The Mississippi Coast Coliseum in Biloxi; the Mississippi Coliseum in Jackson; the Greenville civic center, and a location to be determined in Hattiesburg.

The bout was originally scheduled for March 15,

however, Cooney suffered a shoulder injury in training, and the fight was postponed to June 11.

The fans in Hattiesburg were to see the televised show in Reed Green Coliseum, but a girls basketball camp will be using this facility, and efforts are being made to find another site in the Hub City.

Cooney has resumed training, and has stated that his therapy was successful, and he will be ready in June. The undefeated challenger credited his doctor with prescribing the proper treatment, and has been knocking out sparring partners with his devastating left hook since resuming training.

Holmes has made public statements that Cooney is not a worthy opponent, and that he will not last seven rounds.

The champion also stated that he did not take his past two opponents too seriously, but that he will fight Cooney with vengeance, and get rid of the challenger forever.

Rinaldo Snipes, a

questionable challenger, floored Holmes last November before being a victim of a barrage of Holmes' heavy artillery, and the fight was stopped in the 11th round for a TKO victory for the champion.

Ernie Shavers also put the champ on the canvas in their bout in 1979. Cooney has never been knocked down in a professional fight.

Cooney has only fought six rounds in the past two years, having put his opponents away in early rounds. His most recent fight was a 54-second first round knockout of Ken Norton, who lost a 15-round decision to Holmes the previous year.

Cooney shrugs this off, saying, "I will be in the best

condition of my life, and I promise everyone that if I have to go the distance, I will be in shape to make it all the way."

Cooney's sparring partners have all agreed that their man will win by a knockout, probably in an early round.

The bout will be shown live and in color in theaters and outdoor arenas all over the nation and via satellite in many foreign countries.

Tickets will go on sale on or about May 1, at the locations throughout the state.

## Bay track teams set sights on South State

By BRENT MACEY

The Bay High School boys and girls track teams continued impressive showings in District Eight Class A track competition in Moss Point last week, capturing first and second place respectively.

As a result, many of The Bay's athletes will continue on to South State competition this Saturday where both teams are hopeful another good showing will qualify them for State competition.

In the District A meet, senior Adrian Saucier again paced the Tigers to a victory, as he did in the Deep South Conference meet the previous week.

Saucier won the 440 yard dash, the 880 yard dash and finished second in the two mile run.

Saucier has hopes of winning the 440 dash in South State competition and placing in the top three in the other events. His chances appear good, according to Coach Snuffy Smith.

Senior Trellis Harvey grabbed first place in the long jump in the District competition with a leap of 20 feet one and one-half inches.

In the 120 yard high hurdles Harvey took third place and placed second in the high jump at five feet eight inches.

The efforts qualify Harvey for the South State meet since athletes must finish in the top three spots in District competition to advance to South State, Smith said.

Senior David Palmisano bolstered the teams cumulative points and earned places in South District competition by taking second place in the triple jump and second place in the 100 yard dash.

Sophomore Eric Favre placed first in the 100 yard dash, the 200 yard dash, the 400 yard dash, the 800 yard dash, the 1600 yard dash, the 3200 yard dash, the 6400 yard dash, the 12800 yard dash, the ## Wildcats challenge Bulldogs in south-state baseball

Pearl River College's Wildcats swept a crucial doubleheader 13-12 and 5-0 from powerful Gulf Coast last week to force a one-game playoff for a spot in the south-state playoffs.

But the Wildcats, the Bulldogs' whipping post for a number of years, did not have enough strength to make it three in a row the following day.

Gulf Coast nailed the Wildcats with a 12-0 loss in the

showdown contest to send the Bulldogs to the state playoffs to defend their state title.

The Wildcats ended their season with an outstanding 28-11 record while the Bulldogs advanced with a 32-13-2 ledger.

"We gave them all they wanted," said rookie head coach Ned Eades. "They had to at least fight for their division title this year. The Bulldogs know for sure we are taking baseball seriously here at the River."

Eades was not about to let Tuesday's playoff loss dampen his enthusiasm for his team's strong finish. "I'm very proud of the way we played baseball this spring," Eades said. "I'm not by any means calling it a bad year because of the playoff loss."

Eades conceded his team may have been a little drained after Monday's exciting doubleheader win, but was not making excuses for Tuesday. "I just think it's tough to beat

a good team three times in a row. Monday we played a perfect ball. Tuesday, we were probably a little drained mentally and physically. And, they had a little more pitching depth than we did."

The Wildcats will have 15 players returning for next year's competition.

**WILDCAT DOUBLEHEADERS**  
The Wildcats scored three runs in the bottom of the seventh inning to claim the 13-12 victory over the Bulldogs in

the first game Monday. It was the first time a PRC team has beaten Gulf Coast on the baseball diamond.

In the second game, freshman right-hander Mike Herndon struck out five batters without a walk to lead the Wildcats (28-10) to a 5-0 win. Herndon struck out one and walked five in going, the distance and pushing his record to 6-2.

Earlier this season, Gulf Coast swept a doubleheader from the Wildcats at Perkinston. The Bulldogs are the defending state champions.

Relief pitcher Rupert Wood was the winner for PRC in the opener. Wood's record is now 5-2. Catcher Bruce Penton cracked two home runs and Johnny Varnos added another to lead a 16-hit Wildcat assault.

Jim Walt, Val Overstreet and Herndon all had doubles for PRC. In the crucial seventh, Penton slammed a two-run homer to tie the score at 12-12. Walt followed with a walk, stole second and scored on a single by Overstreet.

"I felt like once we beat them that first time, we would be okay," said first-year PRC coach Ned Eades. "These were big wins for our program and the school as well."

Overstreet had three hits for the Wildcats in the first game while Walt, Todd Bodner, Varnos, Mark Lyles and Penton all had two hits for the winners.

PRC scored three runs in the third inning and single runs in each the fourth and sixth frames to capture the second contest. Walt led an eight-hit PRC attack with two singles and Varnos added a double.

## State agency, cancer group sponsoring bicycle tours

### BICYCLE TOUR

Bicyclists from around the state will participate in the Mississippi Bicycle Tour Friday through Sunday.

Rides will range in distance from 36 miles to 162 miles.

The second annual event is the largest bicycle tour in

Mississippi, and is sponsored by the Governor's Council on Physical Fitness and Sports and the American Cancer Society.

The rides will begin at nine sites and will end at Roosevelt State Park near Morton to coincide with the May Day

celebrations there. A 10-mile ride will also be conducted at the park on Sunday.

Three-day rides, beginning April 30, will originate in Tupelo (162 miles) and Gulfport (156 miles).

Two-day rides, beginning May 1, will start in Grenada (120 miles), Greenwood (125 miles), Columbus (144 miles), Vicksburg (105 miles), Jackson (96 miles) and Hattiesburg (82 miles).

One-day rides will begin on the morning of May 2 in Jackson (36 miles) and Meridian (54 miles).

Bicyclists on the overnight tours will camp in parks along the route. Maps of the routes are available from the American Cancer Society.

A toll-free number, 1-800-872-4234, is available statewide.

Bicycle clubs are being formed in many communities, including Vicksburg, Jackson, Gulfport, Grenada, Cleveland, Oxford, Tupelo, Greenwood and Columbus.

For information on clubs or assistance with starting a club, contact the Governor's Council on Physical Fitness and Sports at 354-6344, or call the Governor's Service line at 1-800-222-7622.

**HALL OF FAME**—Steve Slumber, son of Mildred Dean Slumber of Pearlinton and the late Stephen Slumber Sr., has been named to the New Orleans Commercial Athletic Association's Hall of Fame. Slumber has been a member of the CAA's executive board since 1979 and has been active in the association for several years both as coach and player in softball and football leagues, having managed championship teams in 1978, 1979, 1980 and 1981.

### FISHING RODEO

The first annual Clermont Harbor Fishing Rodeo will be sponsored Saturday and Sunday by the Clermont Harbor Sportsmen.

Registration fee of \$5 at the corner of Fourth and Forrest Streets are now being taken. That price includes fish or oyster dinner Sunday.

Live country music Sunday afternoon will be provided by the Country Sounds.

## Lady Wildcats post 8-11 mark in softball

Pearl River College Lady Wildcat softball team closed its season Friday in a double elimination state junior college tournament in Meridian.

Overall the Lady 'Cats posted eight wins against 11 losses under coach Wayne Jones. Last year, the PRC team posted a 7-11 overall mark.

In the first game at Meridian the Lady 'Cats let itawamba 4-0 through the fifth inning before the Lady Indians' uprising nipped the PRC girls 5-4.

In the second contest the Lady Wildcats fell behind Gulf Coast, the defending state champs, 4-0 before the PRC team put together a big five run sixth inning. PRC won 5-4 to send the Gulf Coast girls home with their second defeat. The PRC win was the fourth in a row over the Lady Bulldogs.

In the third game, the Lady 'Cats committed three errors in the early going and wound up losing to Northeast 13-3.

"I'm proud of our performance," said Jones, "most of the time we played excellent softball." Jones said the PRC girls' biggest setback all year was inconsistency. "We would mess up only one or two innings each ballgame and that was the difference."

Jones said two PRC players made the All-State team. Sophomore pitcher Laurie Carter of Hattiesburg and freshman third baseman Marion Brandt of Slidell picked up the honors.

Carter pitched every ballgame for the Lady Wildcats and did an excellent job in the tournament. Brandt led the Lady Wildcats with a .409 batting average, which included five homeruns.

## Columbus newspaper sponsoring 5, 10K runs

The Commercial Dispatch of Columbus will host its sixth annual 5K and 10K runs Saturday.

The Commercial Dispatch Marathon, as the event is known, will be run on the north frontage road, along the Highway 82 bypass, beginning and ending at the Macon-Meridian exit. The out-and-back course has been sanctioned by the Road Runners Club of America and the Mississippi Track Club.

There are more age categories for runners this year and more trophies than ever! Women will have eight categories in which to run: 14 and under, 15-19, 20-24, 25-29, 30-34, 35-39, 40-49, and 50 and over. Men's categories are 14 and under, 15-19, 20-24, 25-29,

30-34, 35-39, 40-44, 45-49, 50-54, 55-59, and 60 and over.

Trophies will be awarded the top three runners in each age group along with the top male and female runners in each race, for a total of 118 trophies.

T-shirts will be given to each runner entering the competition. The entry fee is \$5 through April 29. After that date, the fee will be \$6.

The races will be directed by members of the Mississippi Track Club. The 5K event will begin at 8 a.m. with the 10K race starting at 8:45 a.m. All runners are invited to participate. For more information, call The Commercial Dispatch in Columbus.

## Bay-Waveland Yacht Club

### Backwash

By Lea C. McIntosh

Bay-Waveland Yacht Club hosted the annual Jourdan River Classic Regatta on Saturday and Sunday.

Joining the BWYC fleet in the two-race series were sailors from Buccaneer, Gulfport, Pass Christian, Singing River, and Southern Yacht Clubs.

Twenty-three boats in three classes were entered; Flying Scot, Sunfish, and PHRF Handicap categories competed.

Each class sailed a first race in Saturday's heavy weather and a second in Sunday's light air.

Edgar Santa Cruz III served as race committee chairman for the weekend.

Immediately following Sunday's race, trophies were presented by Commodore Edgar Santa Cruz Jr. and Regatta Chairman Frank Allen.

Larry Taggart of Southern Yacht Club won both Flying Scot races and the series. He was awarded trophies for each race and for the series, and his name will be engraved on the Jourdan River Classic perpetual trophy.

Liz Merrifield, Susan

Worrel, and Lee-Lee Worrel crewed for Taggart.

Second place in the Scots series went to Corky Hadden of BWYC. Buzzy Hensler and Molly Douglass were his crew.

Bryan Cromwell of Pass Christian Yacht Club took third place in Flying Scots. Crewing for him were Chuck Yarborough and Rene Arriens.

Thirteen boats competed in the Scots series.

Adam White of BWYC won Saturday's Sunfish race; Gail Murphy of Gulfport Yacht Club won on Sunday. Sunfish series trophies were awarded to Gail Murphy, who won the class, to Chris Trapani of BWYC for second place, and to Adam White of BWYC for third.

Howard Slaughter and Tom Stokes of Pass Christian Yacht Club sailing in the "Shady Lady" swept the PHRF Handicap series, winning both races.

Lucien Gex of BWYC, took third.

The regatta social calendar included Friday night and Sunday noon buffet dinners and a hamburger supper

under the club after Saturday's race.

An informal party was held Saturday night in the Trophy Room Lounge, with foot-stomping music provided by Patty Ryan and Ginger of Nashville.

**SENIOR TRACK MEMBERS**—Senior members of the Bay High School track team who qualified for South State Competition scheduled for this Saturday at Hinds Junior College in Raymond are, from left, Trellis Harvey, David Palmisano and Adrian Saucier. The three seniors failed well in recent Deep South Conference competition. Harvey took first place in both the 440 and 880 yard dashes and finished second in the two mile run. Palmisano was second in both the triple jump and 100 yard dash. Harvey was first in the long jump, second in the high jump and third in the 120 yard high hurdles. (Staff photo by Brent Macey)

**QUALIFYING FOR SOUTH STATE**—Bay High School track team members from left, Doug Dickinson, Mark Johnson, Eric Favre and Chris Dorsey, qualified for the South State Track Meet this Saturday by winning or placing in the top three slots in recent Deep South Conference Championship competition. Dickinson, a junior, won the 220 yard dash at the conference meet and also took third place in the 100 yard dash. Johnson won the discus throw and Favre won the shot put. Dorsey took second place in the 100 yard dash. Johnson, Favre and Dorsey are sophomores on the team. (Staff photo by Brent Macey)

STATE OF MISSISSIPPI  
HANKOCK COUNTYEXECUTOR'S NOTICE  
TO CREDITORS

NO. 15,898  
of A. C. Carver, deceased.  
Letters testamentary having been  
granted on the 19th day of April,  
1982, by the Chancery Court of Han-  
cock County, Mississippi, to the un-  
dersigned upon the estate of A. C.  
Carver, deceased, notice is hereby  
given to all persons having claims  
against said estate to present the same  
to the Clerk of said Court for Pro-  
bate and registered according to  
law within 90 days from this date, or  
they will be forever barred.

This 19th day of April, A.D., 1982.  
Yvonne Carver McLain  
Executrix of the Estate  
of A. C. Carver,  
deceased  
4-22; 4-29; 5-6; 5-13-82

IN THE  
CHANCERY COURT  
HANKOCK COUNTY  
BAY ST. LOUIS  
MISSISSIPPI 39520

CHARLES ALLEN CLEEK and  
SUZANNE BUICE CLEEK,  
Plaintiffs versus MICHAEL  
CLARENCE JOHN HUTTO,  
Defendant.

## SUMMONS

CASE NO. A-345

TO: MICHAEL CLARENCE  
JOHN HUTTO, whose residence is  
2617 Wisconsin Avenue, N. W.  
Washington, D.C. 20007.

You have been made Defendant in  
the lawsuit filed in this Court by  
CHARLES ALLEN CLEEK and  
SUZANNE BUICE CLEEK,  
Plaintiffs, whose address is 712  
Third Street, Bay St. Louis,  
Mississippi 39520.

The Complaint filed against you  
has initiated a civil action alleging  
Plaintiffs are entitled to adopt  
Margaret Elizabeth Hutto and  
seeking Adoption and Change of  
name.

You are required to mail or hand  
deliver a copy of a written Answer  
either admitting or denying each  
allegation in the Complaint to Hon-  
Faye Spayde, Plaintiffs' Attorney,  
whose address is 116 East Third  
Street, Long Beach, Ms. 39560.

YOUR ANSWER MUST BE  
MAILED OR DELIVERED NOT  
LATER THAN THIRTY DAYS  
AFTER THE 19th DAY OF APRIL,  
1982, WHICH IS THE DATE OF  
THE LAST PUBLICATION OF  
THIS SUMMONS. IF YOUR AN-  
SWER IS NOT SO MAILED OR  
DELIVERED, A JUDGMENT BY  
DEFAULT MAY BE ENTERED  
AGAINST YOU FOR THE MONEY  
OR OTHER RELIEF DEMANDED  
IN THE COMPLAINT.

You must also file the original of  
your Answer with the Clerk of this  
court within a reasonable time af-  
terward.

Witness my signature and official  
seal this 29th day of April, 1982.  
(SEAL)

E. Michael Necaise  
Clerk of Court  
By: Vickie Walsh  
Deputy Clerk  
4-29; 5-6; 5-13-82

## NOTICE TO BIDDERS

Sealed bids will be received by the  
City Council of the City of Bay St.  
Louis, Mississippi for a recording  
system consisting of four (4) parts:  
Input, Recording, Transcribing or  
Playback, and Service Contract.  
The bids should be delivered to the  
City Clerk's Office, City Hall, Bay  
St. Louis, MS, 39520, by 4:00 p.m.  
Tuesday, May 18, 1982. The bids will  
be opened at 7:00 p.m., or shortly  
thereafter.

The bids should be for the fur-  
nishing of a recording system which  
includes:

1. Four (4) microphones.
2. Ability to record simultaneously on four (4) separate tracks on standard cassette tapes and provide for monitoring of actual recording.
3. The recorder shall also act as a transcription unit with channel separation and should be capable of playback through a speaker or private listening device.
4. The system should be covered by a service contract by the selling vendor for a period of one (1) year, to be renewable each year. The selling vendor should be able to provide response to an emergency service call within eight (8) business hours.

The City reserves the right to reject any and all bids, and to waive any informalities in the bidding. Bidders are hereby notified that any bid accompanied by letters qualifying in any manner the condition under which the bid is tendered will be considered an irregular bid and such bids will not be considered in making the award. The award, if made, will be made to the lowest qualified bidder on the basis of the published quantities. Bids may be held by the City for a period not to exceed thirty (30) days from date of receipt for reviewing bids and investigation of qualifications of bidders.

Published by order of the City  
Council dated April 20, 1982.  
(SEAL)

## ASCS News

### MEASURE AND RE-SURE

To avoid unnecessary worry about the loss of 1962 farm program benefits, Agricultural Stabilization and Conservation Service recommends that farmers request measurement of their acreage before planting.

"This service is offered to assure farmers that they are in compliance with program regulations, and that their acreage reports are accurate," ASCS official Franklin A. Gennin said.

ASCs will measure any type of acreage, or portions thereof, that a farmer requests. Only those acres measured by ASCS will be guaranteed. Your ASCS office can advise you of fields which already have an official acreage.

This measurement service will be performed for a small fee. In order for ASCS to fulfill all requests for this service on timely basis, farmers are urged to request this service promptly.

To request the service, farmers should contact the local ASCS office.

# Gulf Coast Dance Theatre to close season Saturday

The Gulf Coast Dance Theatre will perform Saturday at 7:30 p.m. at the Saenger Theatre in Biloxi.

This performance will conclude the 1981-1982 season for the dance company and will feature a variety of dance styles from ballet to jazz.

Mrs. Cheryl Black, the artistic director, said the company has been in rehearsal since January.

"Much of the choreography for this performance is new and has been done by local choreographers," she added. Sharon Montgomery of Diamondhead, a featured dancer in the successful premiere performance of the company last December, has contributed choreography for this performance.

Dancers who will perform this ballet are Lisa Montgomery of Diamondhead, Wendy Fountain and Heather Philo of Ocean Springs, and Shannon Weatherly of Gulfport.

An original Pas de deux has been choreographed by Mrs. Black for dancers Lisa Montgomery and David Pepper.

Mrs. Black has also choreographed several other ballets for this performance. Additional choreography has been contributed by Delta De La Fuente and Margaret Pepper.

Sharon Montgomery, choreographer of "Weeping Willows, Cat Tails", and dancer Lisa Montgomery are

daughters of Mr. and Mrs. Norman Montgomery of Diamondhead.

Appearing on the program with the performing company will be the apprentice company of the Gulf Coast Dance Theatre.

"These young dancers have been diligently rehearsing and

will be seen in a barre exercise," Mrs. Black noted. Tickets are available at Werlein's, Mississippi Music and the Greater Gulf Coast Arts Council office at Edgewater Mall and at Anthony's Men's Wear in Bay St. Louis.

Prices are \$3 for adults and

\$1.50 for students and senior citizens. Tickets also will be available at the door. Season memberships will be honored for this performance.

The Gulf Coast Dance Theatre, a non-profit dance company, has been in existence for less than a year.

## Stanford to head college PR group

Larry L. Stanford, director of public relations at Pearl River College, won 19 awards at a recent annual spring awards conference of the College Public Relations Association of Mississippi.

Stanford was also elected president of the organization which serves public relations and public information staffs of 35 Mississippi universities, junior colleges and state agencies.

The PRC director won seven first places, three seconds, eight thirds and one honorable mention. During the past six

years, Stanford has won 57 awards, including 22 first places, 16 seconds, 16 thirds and three honorable mentions.

Anne Dowdle, Meridian Junior College, won 11 awards, including seven first places, Ole Miss's public relations department picked up the most awards by capping eight first places, three seconds, six thirds and three honorable mentions.

Mississippi State's public information office picked up 14 awards including seven first place. The University of

Mississippi Medical Center won eight awards.

Stanford won first place, certificates for magazine design, brochure copy, black and white photography, television presentation, radio presentation, slide and tape presentation.

"These awards are actually for the PRC public relations department," said Stanford. "I could not have come close to winning this many awards without the dedication and professionalism of Margaret Boone, PRC's printer and

typographer and secretary Barbara Wise."

At Pearl River, Stanford is director of public relations, sports information, and printing.

He also advises the student newspaper, college annual and teaches journalism and photography. He is a cheerleader sponsor, campus postmaster and voice of the PRC basketball Wildcats and Lady Wildcats.

Stanford who has one son, is the son of Mr. and Mrs. Earl Stanford of Poplarville.

### Honor society inducts Scianna

Danita Louise Scianna of Bay St. Louis was one of approximately 250 students inducted into a new chapter of Gamma Beta Phi at the University of Southern Mississippi.

She is the daughter of Mr. and Mrs. Charles C. Scianna and is majoring in elementary

education at USM. Gamma Beta Phi is a scholastic honor society inducting the top 15 percent of students in each class.

Ms. Scianna's name was omitted from the list of the organization's charter members.

**REGIONAL WINNERS**—Waveland Elementary School students recently placing in regional science fair competition in Hattiesburg are John Necaise, left, of the third grade who won an honorable mention in the behavioral science category and Art Bailey of the second grade who won fourth place in the earth science category.

### GCJC to honor instructors

Instructors of the Year from the three campuses of Gulf Coast Junior College will be announced Friday at a spring meeting of the Alumni Association.

The instructors, chosen by students, faculty and administrators at Jackson County, Jefferson Davis and Perkinston campuses, will be honored at a 7 p.m. dinner in the Jackson County cafeteria.

Deans of the campuses will present plaques to the instructors, selected for their teaching abilities and service to the college and the community.

Reservations and additional information are available through the College Alumni Association office at Perkinston.

**BOARDMAN HONORED**—Dr. Joseph Greene, right, dean of the University of Southern Mississippi College of Business Administration presents Gulfport businessman and 1953 USM graduate Joe Boardman, a plaque designating him the CBA's 1982 recipient of the Award for Outstanding Business Accomplishments.

## Owner of Waveland business honored

Joseph F. Boardman, owner of a Waveland business and a 1953 University of Southern Mississippi graduate was named the recipient of the 1982 Award for Outstanding Business Accomplishments at the USM College of Business Administration Awards banquet.

Boardman, president of Coast Materials and founder

of Southern Trucking, was a marketing graduate and a Distinguished Military Graduate.

Coast Materials, with plants in Ocean Springs, Biloxi, Gulfport and Waveland, has 92 employees and Southern Trucking has 17.

Boardman, a Gulfport resident, is treasurer of the National Redi-Mix Association. He has been involved

with various civic activities and his work with the Harrison County Development Commission has been instrumental in attracting industry to the Coast.

Boardman has served on the board of directors of the USM Foundation and is a Super Eagle member of the Century Club.

Powell Ogletree, director of the Alumni Association, in

presenting the award, called Boardman, "a good example of what an alumnus should be for his alma mater."

### Perk band tryouts set

Tryouts for auxiliary positions in Gulf Coast Junior College's marching band will be from 2 p.m. to 3 p.m. on Friday and 10 a.m. to 11:30 a.m. on Saturday in Malone Hall at the Perkinston Campus.

Band director Dr. John E. Jenkins said positions include precision dance and drill team, baton twirlers, drum majors, flag and rifle corps.

"Persons auditioning should have a prepared routine of their choice," Jenkins said.

He added that materials and music should be provided by each student.

"They should be prepared to learn a short routine and demonstrate it during the audition," he said.

Students who are interested in wind and percussion positions and have not applied for band scholarships should send their names and addresses to Jenkins at GCJC's Perkinston Campus.

For more information contact Jenkins at the fine arts department, Perkinston.

## PUBLIC NOTICES

The Board of Supervisors took up the matter of issuance of the Industrial Development Revenue Bonds of Hancock County, Mississippi, in the principal amount not to exceed Fifty Million Dollars (\$50,000,000). After a discussion of the subject, Supervisor Ladner offered and moved the adoption of the following resolution:

**RESOLUTION DECLARING THE INTENTION OF HANCOCK COUNTY, MISSISSIPPI, TO ENTER UPON AN INDUSTRIAL DEVELOPMENT PROJECT AND TO ISSUE INDUSTRIAL DEVELOPMENT REVENUE BONDS OF SAID COUNTY IN THE PRINCIPAL AMOUNT NOT TO EXCEED FIFTY MILLION DOLLARS (\$50,000,000) FOR SUCH PURPOSE, AND DIRECTING THE PUBLICATION OF NOTICE OF SUCH INTENTION.**

WHEREAS, the Board of Supervisors of Hancock County, Mississippi (the "Governing Body"), acting for and on behalf of said Hancock County, Mississippi (the "Issuer"), does hereby find, determine and adjudicate as follows:

1. The Issuer is a municipality as defined in Chapter 147, General Laws of Mississippi, Regular Session 1960, as amended, appearing as Title 57, Chapter 3 of the Mississippi Code of 1972 (the "Act").

2. On March 1, 1982, this Governing Body, as authorized by the Act, adopted a resolution making application to the Mississippi Board of Economic Development (the "Board") for a Certificate of Public Convenience and Necessity (the "Certificate") authorizing the Issuer to acquire, own and lease a Project as hereinafter defined and to issue its industrial development revenue bonds to finance said Project;

3. On March 18, 1982, the Board ordered and directed the approval of the aforesaid application and issued its Certificate No. 518R to the Governing Body, which Certificate authorized and empowered this Governing Body, acting for and on behalf of the Issuer, subject to the conditions therein set out, to adopt and publish a resolution declaring its intention to issue industrial development revenue bonds of the Issuer in the principal amount not to exceed Fifty Million Dollars (\$50,000,000) to provide funds to acquire said Project and thereafter to lease said Project to Borg-Warner Corporation or its designee (the "Company") for the purposes hereinafter set out;

4. In order to promote industrial development and to provide additional gainful employment for its citizens, the Issuer should issue industrial development revenue bonds of the Issuer in the principal amount not to exceed Fifty Million Dollars (\$50,000,000) to provide funds for the purpose of defraying the cost of acquiring an industrial enterprise, consisting of land, buildings, improvements, machinery and equipment (all of

which together constitute the "Project") for the manufacturing, processing and assembling of plastic materials or other permissible products under the Act, and thereafter to lease the Project to the Company; provided that the Bonds shall be payable both as to principal and interest solely from the revenue to be derived from the leasing of the Project, and neither the Bonds nor the interest thereon shall ever constitute an indebtedness of the Issuer within the meaning of any constitutional provision or statutory limitation of the State of Mississippi, nor ever constitute or give rise to a pecuniary liability of the Issuer or a charge against its general credit or taxing powers.

SECTION 2. That the issuance of the Bonds in the amount and for the purpose aforesaid shall be authorized at a meeting of the Governing Body to be held at their usual meeting place in Bay St. Louis, Mississippi, at the hour of 9:00 o'clock A.M., on May 3, 1982, or at some meeting held subsequent thereto, unless on or before the aforesaid date and hour twenty percent (20 percent) of the qualified electors of the Issuer shall file a written protest against the issuance of the Bonds in which event the Bonds shall not be issued unless authorized at an election on the question of the issuance thereof to be called and held as provided by law. If no such protest be filed, then the Bonds may be issued without an election on the question of the issuance thereof at any time within a period of two (2) years after the date hereinafter specified.

SECTION 3. That this resolution shall be published once a week for at least four consecutive weeks in the Sea Coast Echo, a newspaper published in Hancock County, Mississippi, and qualified under the provisions of Section 13-3-31 of the Mississippi Code of 1972. The first publication of this resolution shall be made not less than twenty-one (21) days prior to the date fixed in this resolution for the issuance of said Bonds and the last publication shall be made not more than seven (7) days prior to the date aforesaid.

SECTION 4. That the Clerk of this Governing Body is hereby directed to procure from the publishers of the aforesaid newspaper the customary proof of the publication of this resolution and to have the same before this Governing Body at their meeting to be held on the date and at the hour set forth in Section 2 of this resolution.

Following the reading of the foregoing resolution, Supervisor Travica seconded the motion for its adoption. The President put the question to a roll call vote, and the result was as follows: Supervisor Courgey voted: Yes. Supervisor Keller voted: Yes. Supervisor Pernicaro voted: Yes. Supervisor Travica voted: Yes. The motion having received the affirmative vote of all Supervisors present, the President declared the motion carried and the resolution adopted, this the 5th day of April, 1982.

## SET PUBLIC HEARING RE: EAST HANCOCK FIRE PROTECTION DISTRICT

There came on for consideration the matter of a petition by more than twenty-five (25) owners of real property with regard to incorporation of a proposed fire protection district to be known as "The East Hancock Fire Protection District," a copy of which is on file in the office of the Chancery Clerk. Whereupon, Supervisor Pernicaro offered and moved the adoption of the following resolution:

**A RESOLUTION TO FIX A TIME AND PLACE FOR A PUBLIC HEARING ON THE QUESTION OF THE PUBLIC CONVENIENCE AND NECESSITY OF THE INCORPORATION OF A PROPOSED FIRE PROTECTION AND WASTE DISPOSAL DISTRICT TO BE KNOWN AS "THE EAST HANCOCK FIRE PROTECTION DISTRICT."**

WHEREAS, there has been filed with the Board of Supervisors a petition signed by not less than twenty-five (25) owners of real property, residing within the boundaries of the proposed fire protection district to be known as "East Hancock Fire Protection District"; and

WHEREAS, said petition meets the requirements of law; and

WHEREAS, this Board finds that a public hearing should be held on the question of the public convenience and necessity of the incorporation of the proposed district;

NOW, THEREFORE, BE IT RESOLVED that a public hearing shall be held on the question of the public convenience and necessity of the incorporation of the proposed district, and that said hearing shall be held at ten o'clock (10:00) a.m. on Monday, May 17, 1982, at the Board of Supervisors meeting room in the Hancock County Courthouse, Bay St. Louis, Mississippi;

The boundaries of said proposed district are as follows:

Commencing at the point where the South line of Cardinal Street intersects the East line of Crane Street in Shoreline Park Subdivision, Hancock County, Mississippi, for the point of beginning; thence Easterly to the point where the South line of Volga Street intersects the West line of Dambo Street in said subdivision; thence continuing Easterly along the South line of Volga Street to the northwest corner of the corporate limits of the City of Waveland, Hancock County, Mississippi; thence Easterly along the northern line of the corporate limits of said City to the point where the said City intersects the western line of the City of Bay St. Louis, Hancock County, Mississippi; thence North along the western line of the corporate limits of the City of Bay St. Louis to the point where said City intersects the northern line of Washington Street; thence East along the corporate limit line of said City to the point where said corporate limit line intersects the western end of Science Road; thence North along the western line of the corporate limits of said City to the point where said corporate limit line intersects the water's edge of the Bay of St. Louis; thence westerly along the meanderings of the southerly shore of the Bay of St. Louis and the Jourdan River to the point where the southerly shore of the Jourdan River intersects the southerly shore of Bayou LaCrosse; thence Easterly along the southerly shore of Bayou LaCrosse to the point where the southerly shore of Bayou LaCrosse intersects the East shore of Pilot Bayou; thence along the meanderings of the East shore of Pilot Bayou to the point where the East shore of Pilot Bayou intersects the East shore of Bayou LaCrosse; thence Easterly along the East shore of Bayou LaCrosse to the point where the East shore of Bayou LaCrosse intersects the southerly shore of the Jourdan River; thence North along the southerly shore of the Jourdan River to the point of beginning; being part of Lots 3 and 4, Square 2, Highland Park Subdivision, Waveland, Mississippi.

Title to the above-described property is believed to be good, legal and conveyed only such title as is vested in the said Substantive Trustee.

# PRC Faculty Association sets new grading policy

Michael Knippers, speech instructor and chairman of the communications department, has been re-elected president of the Pearl River College Faculty Association.

In the same election, social science instructor Gene Williams was re-elected secretary-treasurer and business education instructor Phyllis Daniels was chosen vice-president of the organization.

Bobbye Davis, business education instructor and John Grant, a science and math teacher, was elected to serve on the college's Policy and Procedures Committee.

Knippers said the ad-

ministration is more receptive now to suggestions and views of the Pearl River faculty than ever before. "I think we have made some headway on several issues this past year."

Knippers reported there will be a new procedure for determining grades when the faculty returns for the 1982-83 school year. He said the grading procedure implemented will include a minimum of two one-hour exams, but no required comprehensive nine weeks test.

"There must be a minimum of two tests, scheduled anytime and six daily grades reported during each grade

term," Knippers said. Project and daily grades will count 50 percent and the two larger test will also count 50 percent.

"This will give us more liberty in determining grades," Knippers said. The new policy will apply to academic, vocational and technical students.

## County schools schedule first grade registration

The Hancock County School District will hold registration Friday, April 30 from 8:30 a.m. to 2:30 p.m. in the first grade classrooms for students entering first grade in the Fall of 1982.

Registration is necessary now so the schools will know how many students to prepare for in the Fall.

Children must be six years of age by September 1. A

certified copy of his or her birth certificate is necessary, and must be an original or a copy signed by a notary public.

An immunization record is also needed to get a Certificate of Compliance (blue slip) from the Health Department or doctor.

## East Central High to host cheerleaders

A one-day Cheerleader Clinic will be held at East Central High School in Hurley on Monday, May 3 from 4 to 9:15 p.m.

The clinic will be hosted by the East Central High School Cheerleaders and their advisor, Ms. Carol Rudolph. Instruction for the clinic will be provided by the World Cheerleader Council of Dallas, Texas and will feature Ms. Vicki VanLiew.

Ms. VanLiew has been a professional cheerleader instructor for seven years with the WCC. Before joining the World Cheerleader Council she was a member of the world-famous Kilgore Rangerettes Drill Team and also served as a choreographer for the drill team at Texas Christian University in Fort Worth, Texas.

Miss VanLiew has traveled 25 states and Canada conducting summer camps and one-day clinics and has taught 25,000 cheerleaders.

The program of instruction will include new cheers, chants, songs, pom pom routines, mounts and stunts, tumbling, cheerleader techniques, sportsmanship, crowd control, pep assemblies, uniforms and leadership.

The program is open to all persons, whether elected cheerleaders or individuals interested in learning more about cheerleading for future tryouts.

The cost of the program is \$6 per person advance registration or \$8 per person late registration at the door the day of the clinic.

Registration forms and other information may be obtained by writing to the World Cheerleader Council, P.O. Box 59893, Dallas, Texas 75229 or calling 214-484-5340.

## Helwig, Schilz attend workshop

Home health nurses from around the state attended two workshops offered by the University of Southern Mississippi School of Nursing Continuing Education Program, April 13-15.

The workshops dealt with infection prevention and control in the home.

Participants in the workshops analyzed selected nursing actions now being used in the prevention and control of infection. They also discussed the nurse's responsibility for assisting the total family in infection recognition, prevention and control.

Bay St. Louis residents attending the workshop held in Long Beach were Rose Helwig and Emily Mollers Schilz.
